

# ROAD RIDER IV WARRANTY

## ROAD RIDER IV LIMITED WARRANTY (US ONLY)

Road Rider IV tires are warranted, subject to the terms, conditions and limitations stated herein, to be free from defects in materials and workmanship. Road Rider IV tire's liability shall be limited to replacement of any defective tire plus any applicable taxes.

1. THE ROAD RIDER IV WARRANTY ["Warranty"] applies to tires purchased in the US, and only to the Original Purchaser for 48 months from the date of purchase (proof of purchases required), or if proof of purchase is not available, the coverage will be 48 months from the date of manufacture.

2. The Warranty is void if the tire fails due to damage from improper inflation pressures, exceeding the maximum speed limit, or overloading the tire beyond the maximum load capacity stated on the sidewall.

3. The Warranty does not cover incidental or consequential damages, including, but not limited to, lost time, inconvenience, loss of vehicle use, cost of towing or transportation, related property damage or consequential damages of any type or nature.

4. The Warranty does not cover charges related to mounting and balancing, or any other parts or services deemed necessary for the replacement of the tire.

5. The Warranty is void if a covered tire is worn to the last 2/32" of tread depth at any point on the tread contact surface.

6. The Warranty DOES NOT apply to the following:

- (a). continued use while run flat or under a state of acute under-inflation
- (b). repaired tires
- (c). tires used in racing or competition
- (d). tires subjected to overloading, improper mounting, use of an incorrect rim, purposeful abuse or chemical contamination
- (e). tires which have been patched, plugged or repaired or into which liquid balancers or sealants have been introduced
- (f). cosmetic irregularities
- (g). tires in which a tube has been installed

7. No claims of expected tire wear are expressed or implied. Variables that affect tire wear are driving conditions, load and tire inflation pressure and others.

## ROAD HAZARD REPLACEMENT PROGRAM

Road Rider IV tires carry a "limited, free replacement" road hazard program. This free replacement road hazard program applies only during the first 2/32" of the original usable tread or 12 months from the date of purchase, whichever comes first. The qualified, un-repairable tire will be replaced with a similar new Road Rider IV ST Tire. Once a tire is worn beyond the first 2/32" or more than 12 months from date of purchase, this road hazard warranty is null and void. Repairable tires must always be repaired at the vehicle owner's expense. Road Hazard Replacement Program applies exclusively to replacement of warranted tire(s).

To obtain warranty adjustments or warranty information contact the original dealer you purchased the tires from. Claims must be made within 30 days of discovery of irregularity. All Road Rider IV tires that are submitted for adjustment must be available for and are subject to inspection.

**THERE ARE NO WARRANTIES EITHER EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. THERE WILL BE NO LIABILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES. NO REPRESENTATIVE OF ROAD RIDER IV TIRES HAVE AUTHORITY TO MAKE ANY REPRESENTATIONS OR PROMISES EXCEPT AS STATED HEREIN.**

Some states do not permit limitations on the period of an implied warranty and do not permit the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply. This warranty provides specific legal rights. Other rights may vary according to the state in which the original purchaser is located.

NOTE: All Specifications subject to change without notice
